

New Hope's Mission:

New Hope exists to **reach** people for Jesus, **connect** them to His Church, **grow** them in their faith, so they will **go** and make disciples.

WELCOME FROM PASTOR JOSH AND SARAH HUISMAN

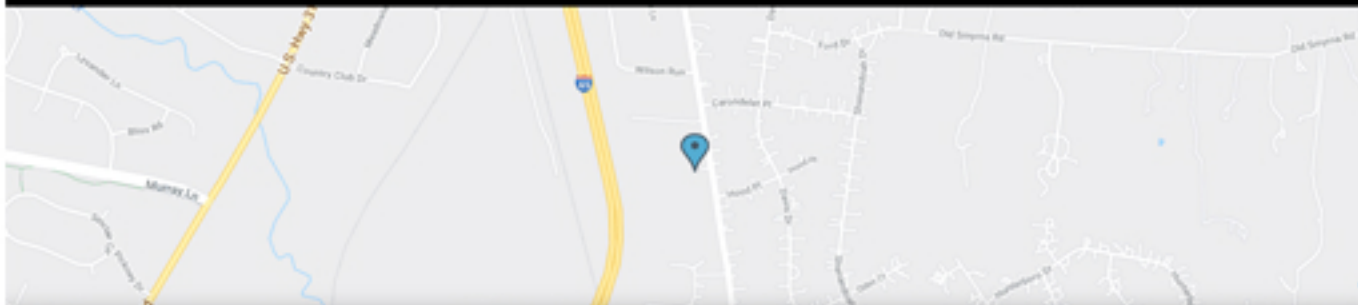

"Our pastors are always available to talk with you, care for you, and offer you the grace and salvation that can only be found in Jesus. These are not just words we put on paper —this is who we are. New Hope Community Church is exactly what our name implies, a church of hope. **And if hope is what you need, then let Sarah and me be the first to say, "Welcome home!"**

It's all about Jesus
